Mr/Ms Model at Hotel De Hamray

Naman Sharma of Std. 10 B participated in Mr. And Miss Super Model Junior 2025 organized by Kreative Academy at Hotel De Hamray. He secured the position of 1st Runner-up in the modelling category.”

At De Hamray Hotel, I had the wonderful opportunity to participate in a cultural event where I stepped onto the stage dressed as Lord Ram. Wearing the attire and carrying myself in that role filled me with a deep sense of pride and reverence. The atmosphere was vibrant, the audience's energy was infectious, and for me, it was much more than just a performance—it felt like I was living the values of courage, devotion, and virtue. That connection made the entire experience truly memorable and meaningful. The competition was intense, but I gave my best and was grateful to secure second place. For me, the recognition was not just about the rank but about the encouragement and appreciation I received for my efforts. Walking away from the event, I felt inspired and proud, knowing that I had been able to honour such a revered figure in our culture. The experience at De Hamray Hotel will always stay with me as a heartfelt reminder that when we put sincerity into what we do, the memories we create become our greatest reward.
