MRS. RUCHI NARENDRA

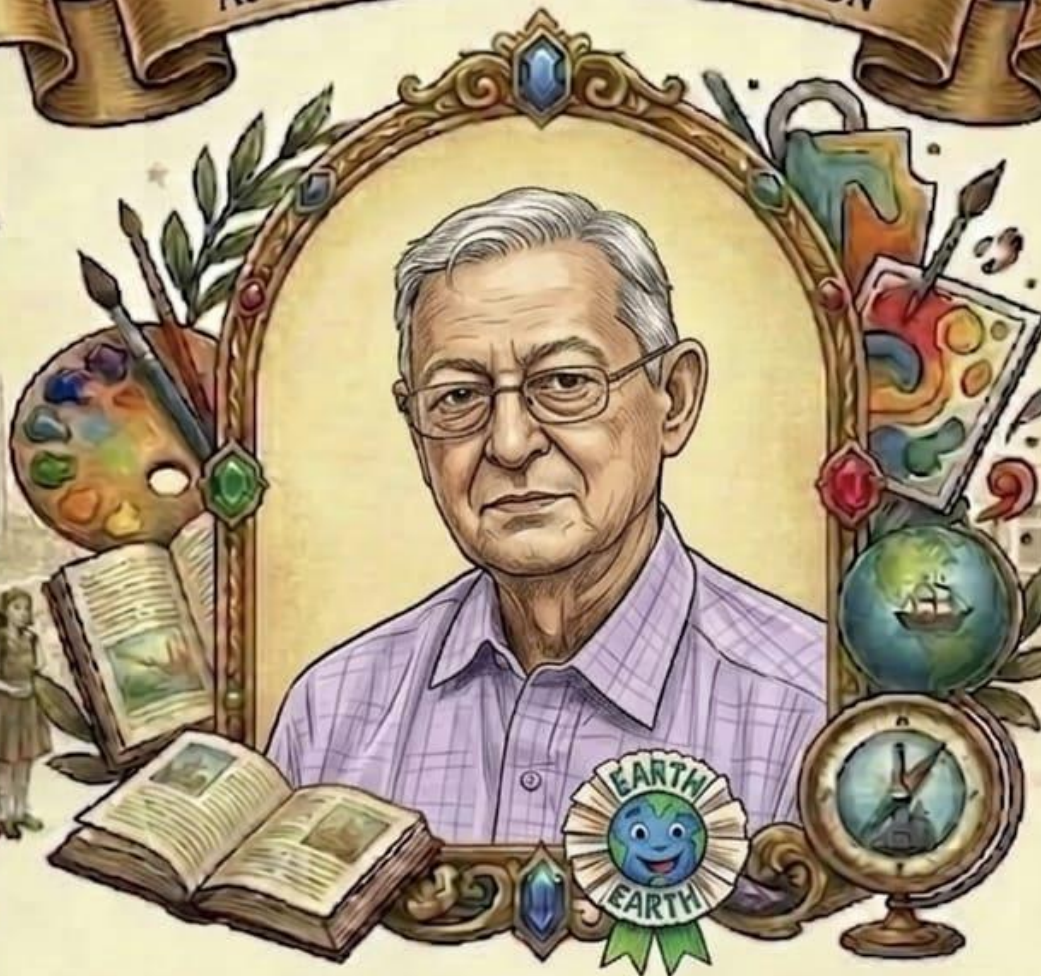

MANAGING TRUSTEE, JEM FOUNDATION

For me, JUSCO School, Kadma is far more than an institution—it is a vibrant hub of inspiration where creativity, innovation and enthusiasm come alive every single day. I am deeply impressed by the school's progressive vision and the remarkable spirit that shines through every function and celebration.

It fills me with immense pride and joy to witness the school's steady growth and remarkable achievements. JUSCO School, Kadma continues to cultivate an inspiring environment where young minds are encouraged to dream boldly, explore freely and shine with confidence. ✨

MR. A.F. MADON

ADMINISTRATOR, JEM FOUNDATION

From the Administrator's Desk

At JUSCO School, Kadma education goes beyond textbooks—it is about shaping confident, responsible and value-driven individuals. Our school is a vibrant space where learning, creativity and discipline come together to inspire young minds. Together, we strive to create an environment where every child is encouraged to dream big, think independently and grow with integrity.

At JUSCO School Kadma, our commitment remains steadfast—to nurture talent, build character and prepare our students to face the future with confidence and purpose.

I wish all the best to the Staff and Students of JSK in their future endeavours.

20 YEARS

Milestone of 20 Years at JUSCO School, Kadma

20 YEARS

JUSCO School, Kadma, established in 2005, began its journey with just 107 students and 4 teachers, guided by the vision of providing "Quality Education for Life." Over the years, the school has witnessed remarkable growth and progress.

Known for its innovative approach, the institution was among the first schools in Jamshedpur to introduce smart classes, reflecting its commitment to modern and inclusive education. Another significant milestone was achieved in 2015, when the first official batch of Class X successfully appeared for the CBSE examinations and the first batch of class XII successfully appeared for the CBSE examinations in 2020 and has expanded its academic programme up to the +2 level.

Today, after 20 years of excellence, the school proudly nurtures 1901 students with the dedication of a team of more than 78 teachers.

Since 2012, the school has continued to shine under the strong leadership of Mrs. Jhumjhum Nandi, the Principal, steadily evolving the school into a hub of achievements and holistic learning. With its unwavering dedication to academic excellence and value-based education, JUSCO School, Kadma continues to move forward with pride and purpose. ✨

MRS. JHUMJHUMI NANDI
PRINCIPAL, JUSCO SCHOOL, KADMA

From the Principal's Desk

As we celebrate 20 incredible years of JUSCO School Kadma, I am overwhelmed with pride and joy. To our students, parents and staff, this milestone is a testament to your hard work, dedication and unwavering support.

Twenty years of nurturing young minds, shaping futures and creating memories that last a lifetime – it's a remarkable journey! From the laughter in the playground to the triumphs in the classroom, every moment has been a building block in the foundation of excellence.

To our revered Management, your vision and trust have been the guiding force behind our journey.

To our teachers and staff, your passion and commitment have made JUSCO a haven of learning and growth. Keep inspiring!

To our Parents, your trust and support have been invaluable. Together, we have created a community of learners and leaders.

To our students, you are the shining stars of JUSCO. Your achievements, big and small, make us proud. As you spread your wings, remember: the sky is not the limit; it's just the beginning!

Here's to many more years of excellence, love and learning at JUSCO School Kadma.

BOOK REVIEW BY THE JEM SCHOOLS

A COLLABORATIVE EFFORT BY
TEACHERS IN SELECTING THE RIGHT
BOOKS FOR MEANINGFUL LEARNING.

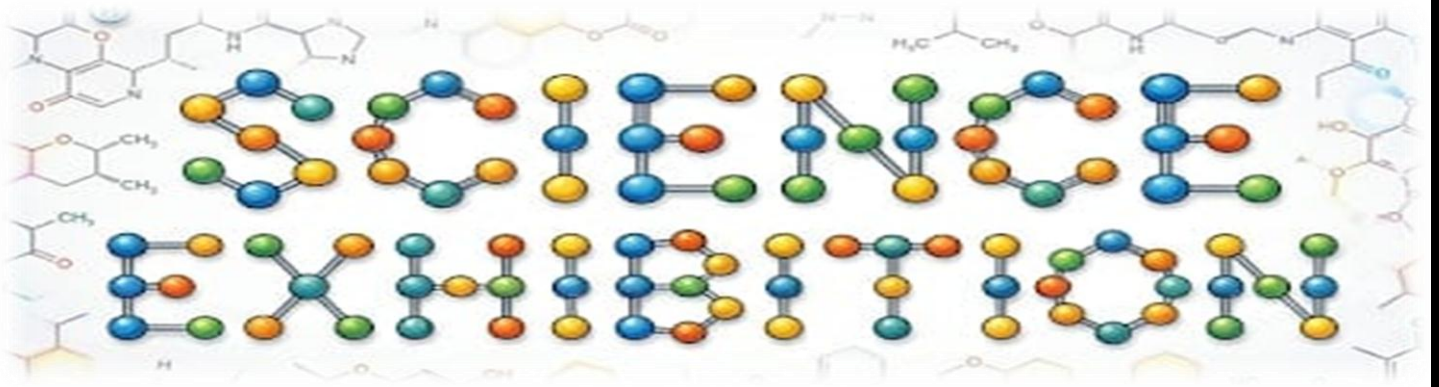

Greetings from the Science Department,

This year we wanted to have an exhibition that was a class apart, something that would invoke the spirit and interest in science not as complicated engineering concepts or heavy complicated machines but to introduce science as an amalgamation of **simple day-to-day** concepts that impact a common man daily. So we chose the topic **“Trust, Transform and Tomorrow.”**

The exhibition began with a medical section where young doctors performed tests on body awareness, moving on to the second section which was about transforming into a healthy body by means of gym, yoga, homemade protein powder and detox water etc, while the final section had innovation unlimited for a better tomorrow. The show stopper was the **JSK Planetarium**. Kudos to the parents and students who made this event a grand success with the support of the teachers.

Elocution cultivates a culture of intellectual curiosity and expressive excellence within the school community.

This year's Annual English Elocution for the Session 2025-26 was an exceptionally enriching and inspiring event. The participants exhibited admirable eloquence, confidence, and intellectual depth while presenting their thoughts on the theme, "The World Around Us."

A wide range of classic and modern poems resonated in the auditorium through inspiring recitations. The talented orators spoke with clarity and conviction. Their articulation, poise and persuasive delivery truly reflected the nurturing guidance of their mentors.

Such platforms play a pivotal role in refining linguistic finesse, critical thinking and stage presence among students.

The English Department's meticulous planning and unwavering commitment lead to the grand success of the programme.

एक प्रेरणादायी अध्याय का समापन

रश्मि शर्मा (हिंदी शिक्षिका)

स्मृतियाँ और आभार:

विद्यालय में बिताए 15 वर्ष मेरे लिए एक दूसरे घर की तरह रहे। सातवीं कक्षा से आज तक की प्रगति देखना गौरवपूर्ण है। इस सफलता के लिए प्रधानाध्यापिका श्रीमती झुमझुमी नंदी एवं सभी साथियों का सहृदय आभार।

विद्यार्थियों के लिए प्रेरणा:

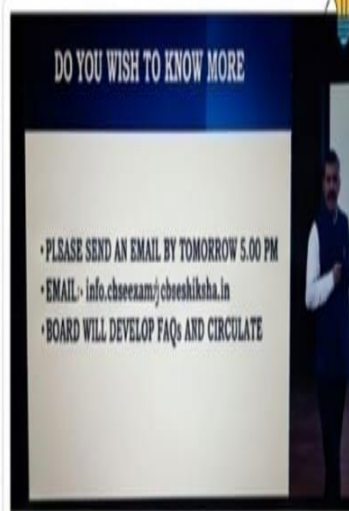

प्यारे बच्चों, अंकों से अधिक अपना चरित्र और व्यवहार निखारें। याद रखें: मंज़िल उन्हीं को मिलती है, जिनके सपनों में जान होती है, पंखों से कुछ नहीं होता, हौसलों से उड़ान होती है।

MODELLING SHOW

Iconic Eve Entertainment, Dhanbad

I recently participated in a modeling show, and it turned out to be a truly memorable experience for me. It was a two-day event where the first day focused on grooming sessions that helped us build confidence and learn important skills, while the second day was the main event, which started at 4:00 PM. The show included four categories—Mr., Mrs., Kids, and Teen—and consisted of two rounds: Western and Traditional — each showcasing their own unique perspective and style. I worked very hard throughout the journey, and all my efforts paid off when I secured the First Runner-Runner-Up position in Mr. Teen Jharkhand – Rising Talent, an event organized by Iconic Eve Entertainment in Dhanbad.

THROUGH POEMS AND PAGES, THESE STUDENTS SHOW THAT CREATIVITY IS THE TRUE LANGUAGE OF THE HEART.

"Distant Star"

Each moment under the velvet night,
I see the stars gleaming bright.
Stars continuously shining,
Like glitters softly sprinkling.

I often behold the night sky,
Dreaming of a time to fly.
When those objects start to shine,
I feel their presence, sheer divine.

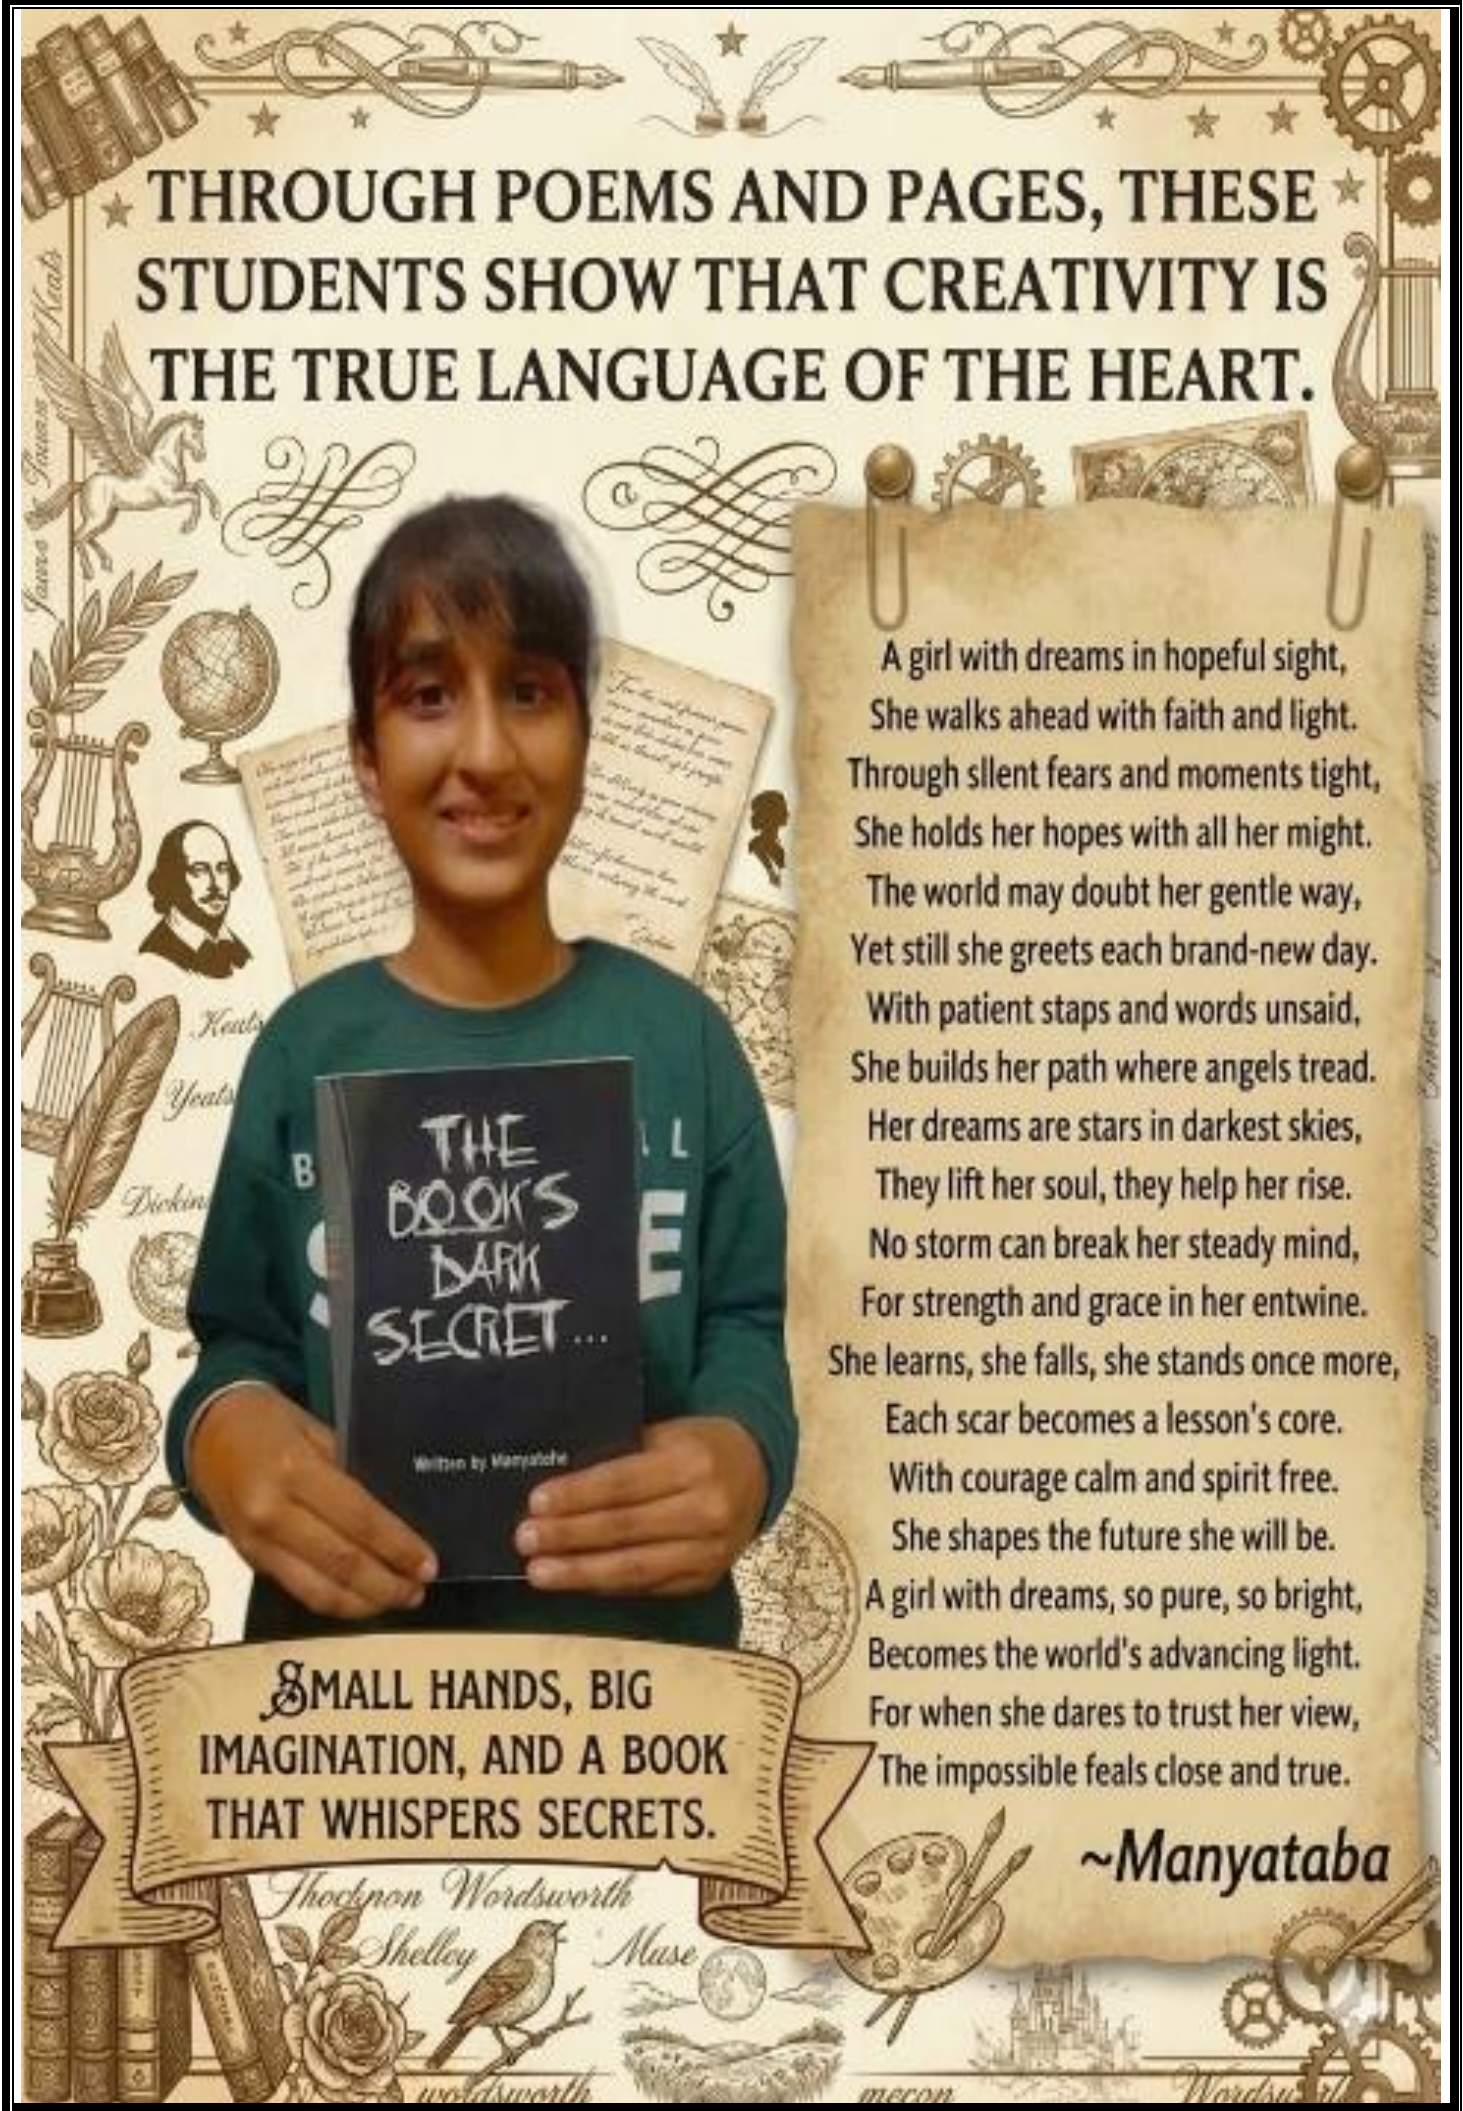

Thinking of soaring high,
Alas, I always sigh!
Nevertheless, why do they shine so bright?
And, what to do with my yearning sight?

In the vastness of night, I search with my heart
Longing for the light-
That sets you apart.

Through the darkness I wander, near and far
Little object, why so far?
You're etched in my dreams
Oh, Distant Star.

~Anwesha Das

WHERE IMAGINATION MEETS COURAGE,
A NEW AUTHOR IS BORN.

THROUGH POEMS AND PAGES, THESE
STUDENTS SHOW THAT CREATIVITY IS
THE TRUE LANGUAGE OF THE HEART.

A girl with dreams in hopeful sight,
She walks ahead with faith and light.
Through silent fears and moments tight,
She holds her hopes with all her might.
The world may doubt her gentle way,
Yet still she greets each brand-new day.
With patient steps and words unsaid,
She builds her path where angels tread.
Her dreams are stars in darkest skies,
They lift her soul, they help her rise.
No storm can break her steady mind,
For strength and grace in her entwine.
She learns, she falls, she stands once more,
Each scar becomes a lesson's core.
With courage calm and spirit free.
She shapes the future she will be.
A girl with dreams, so pure, so bright,
Becomes the world's advancing light.
For when she dares to trust her view,
The impossible feels close and true.

OUR LEGACY, OUR PRIDE

Where discipline built his dream & courage set the course—his journey now sails across the seas.

I am Md Adnan Aatif an ex-student of JUSCO School, Kadma. I am currently serving as the Third Officer in the Merchant Navy. My inspiration comes from my school teachers and the disciplined, value-based environment there. It shaped my character and ambition. I'm grateful to be a part of the JUSCO family, which taught me resilience and responsibility too.

FROM THE CLASSROOMS OF JUSCO SCHOOL, KADMA TO THE COURTROOMS OF NEW DELHI—PROOF THAT STRONG FOUNDATIONS CREATE POWERFUL VOICES.

I am Aniket Singh, an Advocate practising in New Delhi & serving as an Associate at Lex Alliance. An alumnus of the 2016–17 batch of JUSCO School, Kadma. I credit my school for instilling in me the values of discipline, integrity & perseverance. I am grateful to my Class teacher Zamar Sir. I am proud to be a part of the JUSCO School, Kadma Family.

GRATITUDE, GRIT & GLORY

I'm delighted to share that I
have qualified the CA Final
examination — now officially
CA Arghya Bhattacharjee. 🎓

These five years have been a
journey of resilience and growth,
rooted in the strong foundation
I received at Jusco School Kadma.

I remain deeply grateful to you
and all my teachers for shaping
my path.

I've also shared my LinkedIn
post in case you'd like to know
more about my journey.

WHAT IF?

What if I had everything
money, property, luxury?
What if I could sit all day long
on the beach with my family?

I don't know if that's even possible
but that's not the point you see.
I would live like a prince
without the need to worry.

I would buy everything
hypercars, mansions, watches.
But will I be happy?
"O come on I have everything"

But then I see another man
buying a new house.
But why is he as happy as me?
"Just look how small his house his"

But look, he is happier than me!
"Nonsense! I've got everything"
But that is the problem, you see.
I have everything, I need not worry.

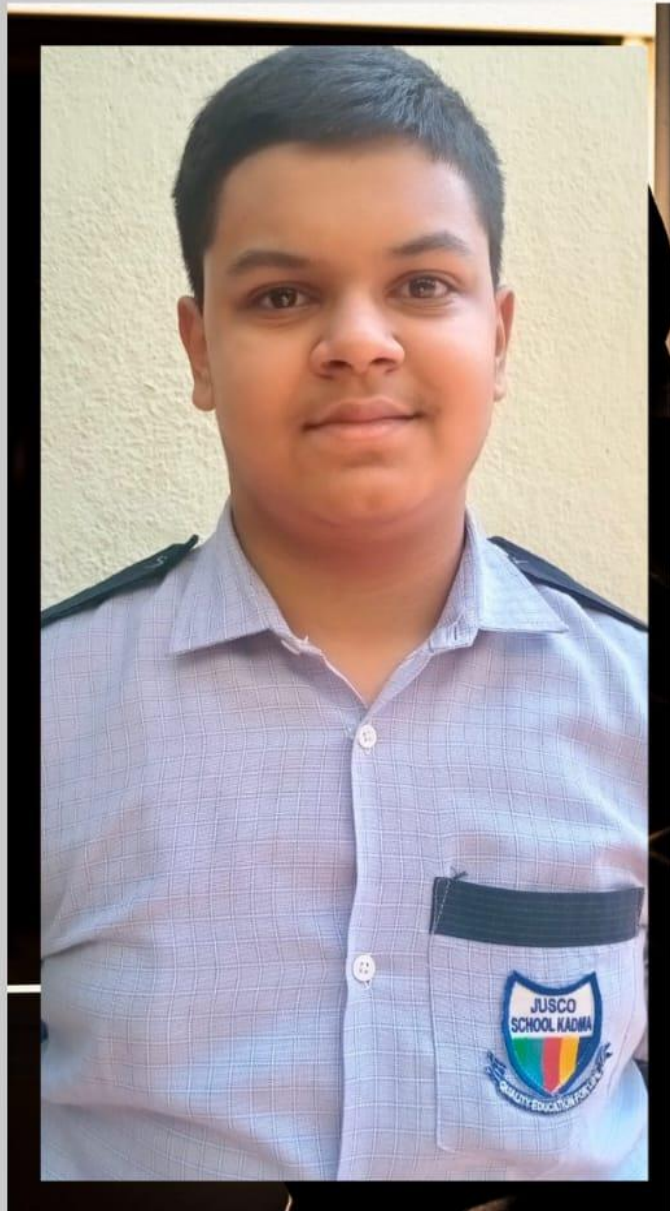

He earned the house
and didn't get it by destiny.
He saved penny by penny
and dreamt about it since years before

Now he has it,
His dream, his family's dream
has come true
through their collective hardship.

They all can sleep in peace
But I? I worry about what I buy next,
what luxury I missed today,
WHAT IF IT ALL ENDS?

No, not a good idea
to have everything.
No, I am wrong because,
Money isn't everything.

I will now go to bed.
I have a mother to kiss and say good night,
a father to hold while asleep,
a grandmother to hear stories from,
How much happier do I need to be?

'BRAIN-TICKLERS'

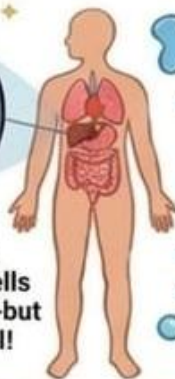

Your brain can generate enough electricity to power a small light bulb!

"The more we learn, the more magical universe becomes."

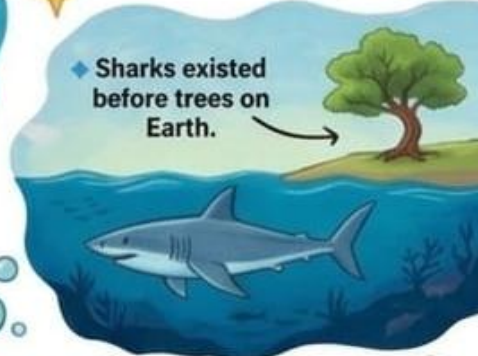

Your body has more bacterial cells than human cells—but most are helpful!

Honey never spoils. Jars found thousands of years old are still edible!

Octopuses have three hearts and their blood is blue.

Sharks existed before trees on Earth.

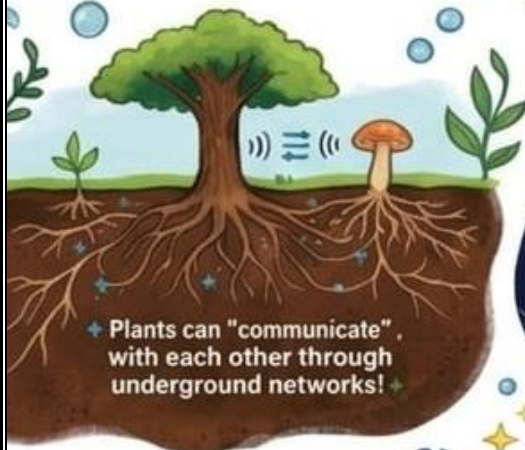

Bananas are naturally slightly radioactive (but completely safe to eat)

The human nose can remember over 50,000 different smells.

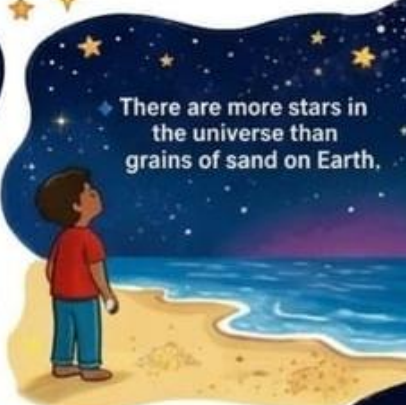

Butterflies can taste with their feet.

Plants can "communicate" with each other through underground networks!

A day on Venus is longer than a year on Earth.

There are more stars in the universe than grains of sand on Earth.

Lightning is hotter than the surface of the Sun for a brief moment.

Some metals can explode when they touch water (like sodium)

Water can boil and freeze at the same time under special conditions (called the triple point).

Space is completely silent because sound needs air (or another medium) to travel.
